VITAL SPEECHES AS A TEACHING DEVICE

The up-to-date speech material presented in VITAL SPEECHES is of intrinsic value to students of public speaking. It gives the student the best current speeches to study and analyze and also affords them the opportunity to increase their knowledge and understanding of national and world social and economic problems.

Use of VITAL SPEECHES will increase the students' interest as they will receive a breadth of learning that will be of great help to them in their other courses and in their day-to-day student discussions.
